our vision

Short term mission trips are designed to take the purpose and vision of FBCJC beyond the walls to a world in need. The trips are an opportunity to use your talents and gifts to minister God's love to others. They also provide a challenging environment for your faith to grow in the Lord.

Our vision is for every man, woman, boy and girl to go on a short-term mission trip. We are blessed with amazing partners and we want you to experience the joy and the challenge that comes from serving with them.

For more information about our partners, previous trips and to see pictures and videos, go to our mission's blog:

who can go?

First Baptist has trips for the entire family. A variety of trips are offered for individuals and families, each with a different ministry and project.

All children under the age of 16 must be accompanied by an adult.

Some trips may not be suitable for all due to the physical requirements of the trip. We will work with you to find the mission trip that best meets your gifts and the needs of our mission partners.
